

### REMARKS

This Amendment is being submitted under the provisions of 37 C.F.R. § 1.116 and prior to any filing of a brief on appeal and its entry is respectfully requested. No new issues have been raised. Claims 5, 17, 20, 25, 26, 40-42, 48, 49, 55, 70, 76-80, 82-84, 94, 97, 99, 100, and 108 have been amended by way of this Amendment, and claims 5, 17, 18, 20-27, 30-55, 58, 70, 71, 74-84, 94-101, 108 and 109 remain pending. Claims 1-4, 6-16, 19, 28, 29, 56, 57, 59-69, 72, 73, 85-93, 102-107 and 110 stand canceled. Claims 5 and 25 have been amended into independent format as the Examiner indicated these dependent claims included allowable subject matter. It should be noted that claim 5 was amended to include the subject matter of claims 1, 2 and 3 since original claim 3 should have depended on original claim 2 to provide antecedent basis for "cooling fluidic medium dispensing assembly." The other claims have been amended only in formal respects to provide for proper antecedent basis of terminology and other typographical corrections.

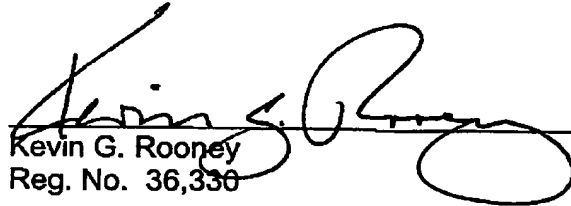

All pending claims after entry of this amendment are in allowable form as previously indicated by the Examiner. All non-allowed claims have been canceled without prejudice. If there is any additional matter that may be resolved by telephone or fax, the Examiner is invited to contact the undersigned to expedite issuance of this application.

Applicants do not believe that any fees are due in connection with this submission other than the extension fee. However, if such petition is due or any fees

are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
